Monitoring & Evaluation Starter Template

OMWENA demo resource - generic guidance, not professional advice.

[ ] Goal: the long-term change you contribute to

[ ] Outcomes: changes you expect within the programme

[ ] Outputs: what the programme delivers

[ ] Indicators: how each result will be measured

[ ] Baseline: the starting value of each indicator

[ ] Target: the value you aim for, and by when

[ ] Data source and method for each indicator

[ ] Who collects the data, and how often
